

How to connect to CCPC's YouTube Channel to view Sunday's worship service online.

This can be done on a computer, phone, ipad, etc.

(Layouts will be different on different devices. I'll try to walk you through different devices the best I can)

The following link should take you directly to our YouTube channel.

<https://www.youtube.com/channel/UC8-YuWEKYmg0KuCq8uUtKgg>

If the above link does not work, go to: <https://www.youtube.com/>

In the search bar, type: Cape Carteret Presbyterian Church

On a computer:

You will see "Uploads"

Right now, there is currently one video of Story Time with Pastor Ben
When we go live on Sunday morning, you should see another video under "Uploads"

There is a **red subscribe** button. If you click on that, it should notify you when we go live (it did let me know!!)

On an iPhone: (sorry, I don't have access to an android)

You'll probably have an ad or 2 at the top, then you'll see Cape Carteret Presbyterian Church with a circle with a picture of our church in it. That is our channel! Click on that! You will then see videos under "Uploads".

I will also put the YouTube video on Facebook for viewing at a later time. Please be patient with us as we all navigate our way through this.
